WORK EXPERIENCE

Eastern Kentucky Power Cooperative (EKPC)

Analytics Intern

Winchester, Kentucky

May 2025 - July 2025

- Aided with clarity of information by organizing Spreadsheets, analyzing legal documents, and giving business presentations while growing my understanding of how data analytics looks in the workplace
- Collaborated with many department experts ranging from engineering to legal where I was able to learn about the company's process from start to finish
- Key Contributor Award Recipient
 - Only intern in company history to be given this awarded for "integral part in a company project"

COURSES & PROJECT EXPERIENCE

Phi Chi Theta Course Competition

(March 2026 - April 2026)

- Competed against 18 other members in order to form the best pitch for a foreign expansion of a growing company
- Explored the viability of the probiotic soda company, Olipop, expanding into Japanese markets and strategized the best way of implementation

First Year Integrated Core Client Challenge

(November 2024 - December 2024)

- Worked as temporary consultants for Rooted Grounds in order to help them improve their direct to customer sales
- Worked in groups of 5 to deliver a 10 minute pitch to a panel of company representatives on how to help with their business challenges
- The team pitched the idea of a mobile coffee truck and illustrated the feasibility of the idea through quotes from food truck companies and an interactive growth calculator

INVOLVEMENT

Phi Chi Theta Business Fraternity

(March 2026 - Present)

- Active member of the Miami Ohio Chapter

Delta Kappa Epsilon

(January 2025 - Present)

- Recruitment Chair
